Shira Segev-Sommer
New Acropolis Chicago
1300 West Sunnyside Avenue
Chicago, IL 60640

Dear Shira,

On behalf of Uptown United, I'd like to thank you and everyone at New Acropolis Chicago for participating in our recent Uptown Art Weekend event on Saturday, August 1. The community mandala that was created by local residents and volunteers was a beautiful addition to the event.

Uptown United, a 501(c)(3) non-profit organization, is Uptown's community economic development organization serving the entire Uptown community, from Irving Park on the south to Foster on the north, the lake on the east and Clark Street on the west.

Working with all stakeholders, Uptown United leads efforts to: build a strong, unified business environment through marketing, advocacy, and technical assistance; facilitate economic development through smart urban planning, arts development, and business attraction; and strengthen community through capacity building and placemaking efforts – all to nurture a diverse, vibrant, thriving and strong Uptown.

Thanks again,

Greg Carroll
Director of Partnerships and Events
